All competitors are also automatically included into the running for the prestigious “Car of the Year” award which competitors can earn a maximum of 45 points per event. Each competitor can only win a maximum of 1 trophy per category per event.

Championship points are updated at www.CSCS.ca and are awarded at the Season Opener of the following year. The coveted Car of the Year winner will receive his award and the “Car of the year cup” with their name permanently engraved onto the cup. The trophy is entrusted to the winner for the duration of the year, but does not belong to the winner and must be returned prior to the start of the following year.
